

## **India Globalization Capital Announces the Appointment of a Key New Member of the Management Team in India**

### *Kuljit Singh Brings Wealth of Operational Experience to IGC*

BETHESDA, Md., April 16, 2010 – MARKETWIRE – India Globalization Capital, Inc. (NYSE Amex: IGC), a company competing in the rapidly growing materials and infrastructure industry in India, today announced that they have appointed Kuljit Singh, age 56, as their new General Manager of their rock aggregate and logistics business in India reporting to the CEO.

In this vital position, Mr. Singh will be responsible for all operations related to the two existing quarries that are now generating new incremental revenues for IGC. He will also be responsible for the 3 additional quarries, which the company expects to bring on line in this fiscal year. He will be stationed in Nagpur where the quarrying and logistics businesses are located.

Ram Mukunda, Chief Executive Officer of India Globalization Capital, commented, “We are delighted that Mr. Singh will be joining the IGC team. His extensive experience in operations and project management will be critical in these businesses which are growing very rapidly and we expect will be significant drivers of operational profitability this year. As we have said, IGC has a unique opportunity among US listed companies to exploit the expected high growth in India’s infrastructure industries. Mr. Singh’s addition to our management team in India better positions us to execute on the opportunities before us.”

With 34 years of dedicated service in the Indian Army, most recent appointment in Rank of Brigadier as Deputy Director General at Army Headquarters, Kuljit brings with him a wealth of knowledge and experience in logistics planning, project management, human resource management and training. As Deputy Director General at Army Headquarters, he managed major infrastructure and engineering projects and joint ventures throughout the country. Immediately prior to joining IGC, he was an Infrastructure and Projects Advisor to Carnation Auto India Private Ltd, assisting the company’s senior management with, engineering projects and procedural processes and systems.

Mr. Singh has an MBA in Operations Research and Systems Analysis from University of Pune as well as an ME and a BE from the College of Military Engineering.
