Forward-Looking Statements:

This press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements reflect management's current views and are subject to risks and uncertainties that could cause actual results to differ materially from those projected, expressed or implied in these statements. Factors that could cause actual results to differ, relate to the ability of the Company to execute its plan and hold a stockholders meeting on or before September 30, 2010. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise. Other factors and risks that could cause or contribute to actual results differing materially from such forward-looking statements have been discussed in greater detail in the company's Form 10-K for the fiscal year ended March 31, 2010 and our other filings with the Securities and Exchange Commission.
